Leaders of Quay's Forces Hold a Conference and Hear Reports.

CAPTAIN NESBIT IS CONFIDENT.

Mr. Magee is in Favor of Morrow for Another Term as Controller.

### HE HASN'T QUARRELED WITH FLYNN

The Quay leaders conferred yesterday morning and afternoon, discussed their plan of campaign and considered the work already accomplished. Colonel Bayne, Walter Lyon, Esq., who is to be United States District Attorney, Postmaster Expectant Mc-Kean, N. P. Reed, and others were among those who met at the office of the Press State Chairman Andrews was present to hear what was going on. Mr. Andrews is DISPATCH reporter the Captain said: "The district looks a good deal better for us than it did when I first ran for the Legislature, and I got there." The others were not com-

ward the previous day in a carriage fixing up delegates in the interest of Quay County Committee men. Mr. Mariand had been attending to private busuless and had no idea County Committee men. Mr. Mariand had been attending to private business and had no idea there was anything of the kind on foot. He inquired very anxiously what Mr. Magee was doing and supressed a fear that he was permitting business to interfere with politics. The gentleman whose actions had startled Mr. Mariand was seen inter; and said: "We are hustling and this is about the last you'll see of me until Saturday night."

MR. MAGEE NOT QUARRELSOME. Mr. C. L. Magee was asked this afternoon about the fight in progress, but said he hadn't even heard the name of a single candidate for the County Committee. He denied the story that he was going into any deal to elect a Democratic City Controller. He had helped to elect Mr. Morrow, and he said, in answer to a direct question, that he was in favor of his re-

direct question, that he was in savor of his reelection.

"How about the story that you and Mr.
Flinn have quarreled?"

"Mr. Flinn and I have large business interests
together. There has been no quarrel between
us and there will be none."

"In there any difference between you concerning the County Committee rules?"

"The County Committee rules I don't care
about one way or the other."

"It is reported you are setting up delegates
against Boyer for State Treasurer."

"I have heard of no opposition to him."

"Are you in favor of his candidacy?"

"I have no don't necested in it one way or the
other. The State Convention has not yet been
called and will not meet before some time in
August, I expect to go to Europe in July and
will be absent until after the State Convention
and will do well to get home in time to vote. I
have no doubt the delegation from Allegheny
county will be for Boyer."

"What do you think Mr. Ford's chances for

county will be for Boyer."
"What do you think Mr. Ford's chances for postmastership are." There is a man in Washington who attends "There is a man in Washington who attends to all that kind of business, and it is not always an easy matter to tell what he is thinking about such things. Our people, of course, are all for Ford. No. I had not heard anything concerning a compromise by which Ford was to be given the postoffice after Warmcastle had received his appointment."

### PROMISES OF POSITIONS.

The talk on the street yesterday was that ositions in the postoffice were being profusely | in the city. promised for support for Quay committeemen. George Von Bonnborst, Chairman of the County Committee, was down town this after or more. He knew nothing about what was

Hon, John F. Dravo, of Balver, is a candidate for the place; but Mr. Quay is said to fear it would be bad politics to bestow the office outside of Allegheny county at the areason time. at the present time.

Walter Lyon is ignorant of the date of his appointment as United States District Attorney, but says he is not worrying about it, and really doesn't care whether he gets it or not.

### COX FORMALLY WITHDRAWS. He Says He Has No Possible Chance to Get

a Place. John F. Cox withdrew yesterday from the race for District Attorney. He wrote a card to the newspapers, which concludes as

Binow transpires, however, that the Legislative districts in the city of Pittsburg have been so manipulated as to preclude the possibility of my securing any of the delegates from that locality. In this view of the case, any further contest on my part would be fruilless, inasmoch as I would be compelled to carry every district outside the city of Pittsburg, which task no human being could hope to accomplish.

No Democratic Row. Tim O'Leary said yesterday that John Jarrett's allegations about A. F. Keating being backed by the Democrats for City Controller are all false. He declares there is no quarre between the County Democray and Randall Club—at least he does not know of it.

One Man Who Had a Rival for the Elec-

CHICAGO, May 15 .- A scheme rivaling in some respects the famous electric sugar refining swindle was exposed here to-day. The perpetrator is a smooth-mannered young fellow named John Archibald Comp, whose papers indicate that he been operating not only in Chicago, but also at Kansas City, St. Louis and Cincinnati. Comp is now missing, and it is said that a good many thousand dollars belonging to various distillers and liquor dealers have disappeared with him.

Comp stopped at the Metropolitan Hotel,

and according to the report to-day of the detectives who have been investigating the matter, he was visited by scores of dupes.
The fellow pretended to possess a compound which would change poer whisky into the finest of high wines. A Farmer Has His Barn Burned and Stoo Killed by the Regulators.

SEPECIAL TELEGRAM TO THE DISPATCH. GREENSBURG, May 15 .- The "White Caps" in the vicinity of Mt. Pleasant, this county, have brought their threats into execution, and S. I. Coffman, living near that place, was the victim. Recently Mr. Coffman was warned to leave the neighborhood or punishment of a severe nature would be meted out. This morning his barn was discovered to be on fire, and when Mr. Coffman hurried to be on fire, and when Mr. Collman hurried to the scene to rescue a valuable horse he found the animal's throat cut, evidently with a butcher knife, and although he succeeded in getting the animal out of the burning barn, it will die. The loss is \$1,200. The last notice received by Mr. Coffma was a rudely drawn picture of a coffin with the orders to leave the county, or his body

Constitutions are much alike, and in ninetenths of us the same causes produce the same
